

# Semper Fidelis

As we come to the end of another year, we have a lot to be grateful for. Whilst the year was not without its challenges, our community has worked together to overcome these and have finished the year on a high note with our Final Mass Awards Ceremony and the College Dance last Friday.

## Year 12 VCE Results

On Monday, we were delighted to receive news of excellent VCE results. Despite the many COVID related disruptions during senior schooling, the class of 2022 demonstrated resolve and commitment to their studies that was beyond their years.

The following is a brief summary of results which are an impressive reflection of a fine young group of graduates. They reflect the extraordinary efforts of our students and the work of our teachers, guiding and supporting our students throughout their learning journey at the School to achieve their very best, be that with an impressive ATAR score or through being selected for employment.

We congratulate Jessica Mangan for her perfect score in Further Maths and Riley Inglis for his perfect score in Business Management.

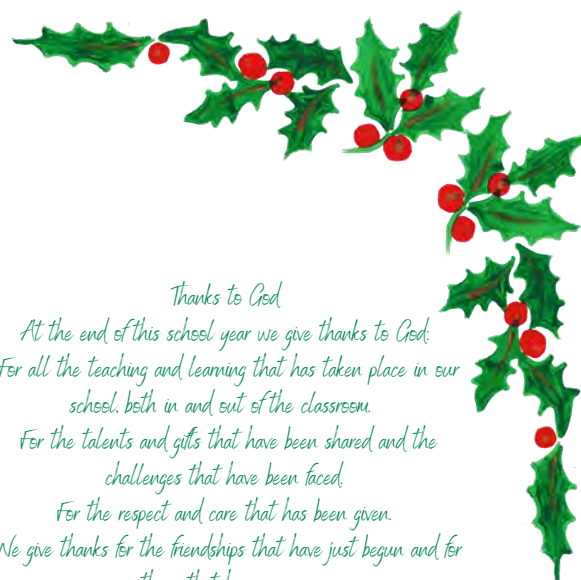

3% of students achieved study scores above 40, placing them in the top percentile bracket for the state.

4 students achieved ATARs in the 90's with Jessica Mangan recognised as Dux with her amazing score of 98.35. Riley Inglis was runner up Dux with a fantastic score of 98.25.

College Captains, Mia McCully and Ethan Lay, underlined the quality of their leadership with scores of 94.9 and 95.6 respectively.

## Final Mass and Awards Ceremony

A great crowd was on hand to celebrate the College's Final Mass and Award ceremony on Friday the 9th of December. We were very grateful to have Father Michael Morley to preside over Mass and welcomed Maria Ford who led the College singers and musicians. Following Mass the wonderful achievements of our students in all areas of endeavour were acknowledged. This would not be possible without the generous and ongoing support of our wonderful sponsors and their representative:

*Thanks to God*

*At the end of this school year we give thanks to God:  
For all the teaching and learning that has taken place in our  
school, both in and out of the classroom.  
For the talents and gifts that have been shared and the  
challenges that have been faced.  
For the respect and care that has been given.  
We give thanks for the friendships that have just begun and for  
those that have grown:  
For the faith that has been lived in our daily struggles.  
For the hope that has lifted our hearts and for the love that  
has kept us going.  
We give thanks to the community that we are, and we ask you  
Lord, bless our student graduates: may your Spirit inspire  
them with confidence and calmness.  
Bless our families as we take our holidays, may our time  
together leave us with memories to cherish.  
Pour out your love on us that we may return renewed and  
refreshed to continue our journey together.  
We make this prayer through Christ our Lord,  
Amen*

Brian Dykes Encouragement Award Eliza Whiteley  
Mercy Award Jessica Freeman  
Year 11 All Rounder Belinna Walshe

## Orientation Day

It was fantastic to have next year's Year 7 students at the College on Tuesday. The students participated in a full day of classes and have had several transition experiences. Thanks to Mr Reed Bonat who coordinated the day and also to the teachers that assisted to make this a positive experience for our new students.

## Christmas Wishes

As we come to the end of another school year, I would like to thank all of our families for their support during a year that was not without its challenges. I wish you all a very happy and safe Christmas and New Year.

ALWAYS BE RESPONSIBLE. ALWAYS BE RESPECTFUL. ALWAYS BE YOUR BEST.

## Great New Reads In The Library #18

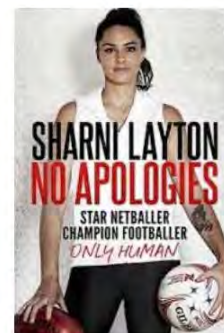

### Seasparrow: by Kristen Cashore 2022

The fifth novel in the Graceling realm series focuses on the story of Hava, Bitterblue's personal spy and secret half-sister. What will Hava do in a world where Gracelings are no longer the ultimate power and kingdoms now have weapons of mass destruction?

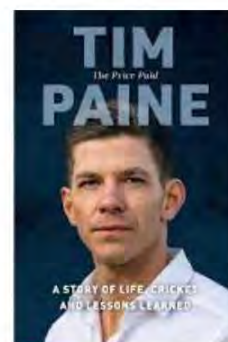

### No Apologies: Star Netballer Champion Footballer Only Human: by Sharni Layton 2021

Before Sharni Layton became an All-Australian AFLW star, she was a gun netballer. By 2017, she had been named ANZ Championship Player of the Year, was captain of the Diamonds and had won Commonwealth Games Gold along with two World Cups for Australia. On the outside it looked as if she was living the dream. On the inside, it was different. Her confidence was shot and a career's worth of suppressed anxiety finally boiled over, leading to full-blown burnout.

### The Price Paid: by Tim Paine 2022

Tim Paine was the golden child of Australian cricket. Paine was the youngest-ever contracted player in Australia at 16 years old. Paine's three-year turn at Test captaincy was turbulent on the pitch, with a slew of narrow wins and close, tough results. Then, in November 2021, a sexting scandal saw him step down as Australia's Test captain, taking an indefinite break from the game. As the scandal has played out in the public spotlight, Paine has had to grapple with the effect of the aftermath on his marriage, his career and his reputation. He made a mistake and paid the price. In a frank, heartfelt autobiography, Tim Paine reflects on the highs and lows of his prestigious career, his time as a captain, what the baggy green means to him and the impact one choice can have on a life.

### The Killing Code: by Scott Page 2022

Set in Virginia in 1943, Kit is recruited to help the war effort as a codebreaker, even though she has a big secret of her own to keep. Government girls are being brutally murdered. Together with other female codebreakers, Kit is not only hiding, but hunting for a killer!

# Immunisation Catchup

Moira Shire Immunisation Services are planning additional immunisation sessions to follow up missed doses of meningococcal ACWY (Year 10), Boostrix and Human Papilloma Virus (Year 7) vaccines for all students. Many doses have been missed due to COVID 19, either if the student was absent due to illness or infection or school closure, and we are keen to catch these students up. If you would like further information, please contact Moira Shire.

Sandra Mogg  
Team Leader Maternal and Child Health and Immunisation  
Community Wellbeing, Health and Culture

Moira Shire Council offices will be closed from Friday 23 December 2022 and will reopen on Monday 9 January 2023. For urgent assistance during our office closure, please call 5871 9222 for our after-hours phone service or visit our website [www.moira.vic.gov.au](http://www.moira.vic.gov.au)

## Science Experiences in the Holidays

### Santos Science Experience

This is a fun 3 days of science activities for Year 9 and 10 students (2023). Participants perform experiments in the laboratories, meet senior lecturers, and attend site visits. The program is running at the following institutes in early 2023: Visit [www.scienceexperience.com.au](http://www.scienceexperience.com.au) for more information and to register for any of the workshops.

Universities & Tertiary Institutions	Program Dates	Best Apply Before	Places Remaining
Marine & Freshwater Discovery Centre	17 January 2023	20 December 2022	0
RMIT University	18 - 20 January 2023	10 December 2022	74
University of Melbourne, Parkville	23 - 25 January 2023	19 December 2022	49

### Monash University - Engineering Engage Engineer.

This program is for students in Years 9 & 10 in 2023 and will run on 16 & 17 January 2023. Engineering Skills Day: this program is for female students in Years 10 – 12 in 2023 and will run on 19 January 2023. Steam City: this program is for female students and will run on 19 January 2023. The day will be focussed on engineering.

For information on the above programs and to register your place, visit [www.monash.edu/engineering/meg/activities](http://www.monash.edu/engineering/meg/activities)

#### Activities

Below are a number of the activities and events offered over the year. Please check the program for more details on upcoming activities.

#### Engage Engineer

16-17 January 2023

This event is for Year 9 & 10 students (2023).

Students are invited to participate in the Engage Engineer program from 16-17 January 2023, where students are invited to come to the Clayton campus and participate in a variety of activities. This can include: design challenges, robotics, and more. Students are invited to bring their own ideas and projects to the event. If you are interested, please contact the Engage Engineer team for more information.

#### Engineering Skills Day

19 January 2023

This event is for Monash Engineering Skills Day students (2023).

This event is for Monash Engineering Skills Day students (2023). Students are invited to participate in the Engineering Skills Day program from 19 January 2023, where students are invited to come to the Clayton campus and participate in a variety of activities. This can include: design challenges, robotics, and more. Students are invited to bring their own ideas and projects to the event. If you are interested, please contact the Engineering Skills Day team for more information.

#### Steam City

19 January 2023

This event is for Monash Engineering Skills Day students (2023).

This event is for Monash Engineering Skills Day students (2023). Students are invited to participate in the Steam City program from 19 January 2023, where students are invited to come to the Clayton campus and participate in a variety of activities. This can include: design challenges, robotics, and more. Students are invited to bring their own ideas and projects to the event. If you are interested, please contact the Steam City team for more information.

**Monash University - Science MYSci:** this is an exciting three-day science program specifically designed for students who will be in Year 11 and 12 in 2023. Cost is \$110 per student and will run between 11 – 13 January 2023, <https://shop.monash.edu/mysci-2023.html>

**Year 7 and 12 students return on Tuesday 31st January**  
**Year 7 Camp**  
**Wednesday 1st Feb to Friday 3rd Feb**

### Sacred Heart College Term Calendar 2023

<b>TERM ONE</b> Australia Day (Public Holiday) Staff commence (no students) Term 1 begins for Years 7 & VCE students Term 1 begins for Years 8 to 11 students Labour Day (Public Holiday) Term 1 concludes Good Friday (Public Holiday) Easter Monday (Public Holiday)	Thursday, 26 January Friday, 27 January Tuesday, 31 January Wednesday, 1 February Monday, 13 March Thursday, 6 April Thursday, 7 April Monday, 10 April
<b>TERM TWO</b> Term 2 begins (all staff & students) ANZAC Day (Public Holiday) Queen's Birthday (Public Holiday) Term 2 concludes	Monday, 24 April Tuesday, 25 April Monday, 12 June Friday, 23 June
<b>TERM THREE</b> Term 3 begins Term 3 concludes	Monday, 10 July Friday, 15 September
<b>TERM FOUR</b> Term 4 begins Student free day Melbourne Cup Day (staff and students) Term 4 concludes (students) Staff conclude	Monday, 2 October Monday, 6 November Tuesday, 7 November Friday, 8 December Friday, 15 December

### Student Absences

**ALWAYS BE RESPONSIBLE. ALWAYS BE RESPECTFUL. ALWAYS BE YOUR BEST.**

In January 2023, your SIMON Everywhere /PAM account will be undergoing a major upgrade to provide greater security and other improved functionality.

During the week of the 16th of January 2023, your current SIMON Everywhere/PAM account will cease to function.

New PAM accounts will then be created by your school, and you will receive an email asking you to create new credentials for a new PAM account.

This will be as simple as:

- clicking on the link provided in the email
- following the prompts to create a new password for your new account.
- opening the SIMON Everywhere app and log out of your old account
- navigating to the "Tools" menu in SIMON Everywhere and then "Add School"
- finding your school on the list and clicking on the "Login" button for Parent Access
- using your new credentials to log into your new PAM account via SIMON Everywhere

Your username will be your email address.

Your SIMON Everywhere/PAM interface will not look any different, but you may receive an account per parent if you were previously sharing an account with your spouse.

Please refer to the below FAQs for further information:

1. We have a single, family email address that is used by both parents. Is that still ok?
  - a. If the parents both use the same email address, you will only receive a PAM account for one parent.
    - i. Example single email:

Parent 1 - Mother - Mrs Joanne Smith - jandcsmith@myemail.com

Parent 2 - Father - Mr Chris Smith - jandcsmith@myemail.com

A PAM ACCOUNT CAN ONLY BE ASSIGNED TO ONE PARENT, who can then share their login credentials with their spouse.

1. I do not have an email address OR have not provided my email address to the school.
  - a. Parents with no email address provided cannot have a PAM account
2. Will any historic data be lost in this process?
  - a. While no data will be lost in this process, it is possible that some information may become disconnected from the new account, such as historic letters, historic excursion permission and historic parent notified absences.
  - b. You may have to review your personal details (Medicare number etc) if you previously had split access with another parent to your child's medical information.
  - c. You will definitely still be able to access historic student assessment reports and learning area assessment tasks. However, access to historical parent reflections may be lost if the school has chosen to not allow parents to see reflections by other parent accounts attached to that student.

3. What do I need to do now?

- a. This letter is to simply let you know about the changes that are coming. Right now, the best thing you can do is make sure that the school has your preferred email address on file.

4. What do I need to do in January?

- a. Be aware that your current SIMON Everywhere/PAM account will stop working as of the 16th of January.
- b. Look out for the email later in that week asking you to set up credentials for your new account (this may go to your junk/spam folder).
